

## The Range Croquet Club, Maleny Report 060120

Benign weather conditions are luring people down to the showgrounds to enjoy the lawns which appreciated the rain over Christmas. When there is a south-easterly lawn 1, the Eileen Harrison lawn, may well be the most pleasant place in Maleny and even possibly the South East, to be.

Thursday saw Donna Manning and Helen Andrews fight Kath Smith to a six all draw. Ken Barker played Nick Cram beating him 17 - 6 in a game where Nick seemed to have all of the bad luck and Ken the good. The wheel always turns as far as luck goes.

On Sunday Helen and Ken played Donna and Kath in a topsy turvy game where players looked like having good breaks ahead then missed three-foot roquets. After a long pleasant, cup of tea it was decided to resume play briefly and the final score ended up with Ken and Helen on 15 and Donna and Kath on eleven.

The photo is from the 2<sup>nd</sup> division tournament of November 2019 and is an example of a fine shot being played by Vince Carbery. The green ball is going somewhere past the peg in the direction of hoop 4 and the pink ball should end up somewhere behind the brown so that it can be rushed towards hoop three making it easier to approach with pink.

Coaching for beginners and others is available from 8 am to 10 am on Saturdays but has been adjourned until January 11<sup>th</sup> 2020 for the holiday season due to family commitments by coaches. These are popular sessions with accredited coaches in a friendly, relaxed atmosphere.
